Featuring Award-Winning Patented LINX AUDIO a Hear the Difference technology
In-Line Volume Control for Easy Adjustment to Safe Listening Levels
Lightweight and Comfortable fit
State-of-the-art active noise cancellation (ANC)
Superior comfort
Product Description
The ideal performance for high end audio is the accurate reproduction of the "Live" experience. Current audio technologies struggle to replicate this experience, because bass sounds mask high tones making your music sound muddled and speech difficult to hear. Award-Winning LINX AUDIO creates a "Live" experience with full rich base sounds, clear high tones and intelligible speech that enables you to Hear the Difference.
